CASES
WE HANDLE

AUTO ACCIDENTS

If you've been in an auto accident, you need someone to fight for your rights. We have the expertise and resources to deal with large insurance companies, and we will fight to get you the maximum recovery.

SLIP AND FALLS

If you are hurt in a slip and fall accident, you may be entitled to compensation, even if you are partly at fault. We've helped many slip and fall victims recover compensation for their injuries, and we can help you.

NURSING HOME ABUSE

Over one million seniors live in nursing homes. Unfortunately many suffer from abuse and neglect.

If you have a loved one in a nursing home and suspect he or she is being abused or neglected, call us. We can help stop the wrongful conduct and obtain damages for it.

WORK INJURIES

If you have a work injury, you may be entitled to workers' compensation benefits. We can guide you through the complex workers' compensation system and help you receive the maximum benefits.

OTHER INJURIES

Call us for any other type of injury you suffer — including dog bites, medical malpractice and product injuries. If we cannot help you, we will refer you to someone who can.

WE WELCOME
REFERRALS

Because of our success in handling accident claims, many of our new clients are referred to us by current and past clients. If you have a friend, family member or co-worker who is hurt in an accident, please give them our name and phone number. You can be certain that every person you refer to us will receive the highest standard of service and legal representation.

ABOUT OUR FIRM

The Law Offices of [YOUR NAME HERE] is a plaintiff's personal injury law firm, representing people hurt in accidents. We handle all types of personal injury cases, including car accidents, slip and falls, product injuries and medical malpractice.

We have over 15 years experience and have represented hundreds of clients. We understand the problems accident victims face, including receiving proper medical treatment and obtaining compensation for their injuries and losses. Our goal is to make sure our clients receive the maximum compensation and that they obtain all insurance benefits owed to them.

We provide excellent service. Our staff is ready to help with your needs, and we keep you informed about your case as it progresses.

We represent clients on a contingency fee basis. There is no legal fee for our services unless we obtain a recovery for you. There is never a charge for an initial consultation.

If you are in an accident, call us for a free, no-obligation consultation. We will fight to get you the maximum recovery.

SERVICES FOR ACCIDENT VICTIMS

If you are in an accident, we can help you in many ways. We can:

- help you get effective medical treatment for your injuries
- evaluate your claim and tell you how much money you may be entitled to receive
- advise you on your legal rights and responsibilities
- collect evidence for your claim and interview witnesses so as to present the best case
- handle all calls and negotiations with insurance companies and their lawyers
- help you get your car fixed, or get you compensation if it cannot be fixed
- help you get your medical bills paid
- recover your lost wages plus money for any future lost earning ability caused by the accident
- recover all you are entitled to receive for your pain and suffering
- recover for you all other damages you may be entitled to receive as a result of your accident
